THINKPAD CARRYING CASES

Lenovo's range of ThinkPad carry cases includes a variety of different styles, with the storage and features needed to create convenient and efficient 'mobile offices'. Protecting ThinkPad notebooks in padded compartments to help guard against bumps and jostles during travel, the cases complement the look and feel of ThinkPad notebooks on the outside, and deliver clever functionality and convenience on the inside.

Most ThinkPad carrying cases feature the patented SafePORT air cushion system, which absorbs the shock from the case being dropped, providing superior laptop protection.
