**Regulatory labels**

Depending on your country or region, you can find the government-required regulatory information through one of the following methods:

- On a physical label attached to the outside of your computer shipping carton
- On a physical label attached to your computer
- Through an electronic-label screen (E-label screen) preinstalled on your computer

To access the E-label screen, do one of the following:

- Restart the computer. When the logo screen is displayed, press F9. The E-label screen is displayed.
- Restart the computer. When the logo screen is displayed, press Enter or tap the prompt to enter the Startup Interrupt menu. Then press F9 or tap the Regulatory Information option. The E-label screen is displayed.

**Compliance with the EU Radio Equipment Directive**

The following applies to models with a radio device.

Hereby, Lenovo (Singapore) Pte. Ltd., declares that the radio equipment type ThinkPad L580 is in compliance with Directive 2014/53/EU.

For further information about EU regulatory compliance, refer to the *Safety and Warranty Guide* that comes with your computer.
